Carotec

We met in an AOL chatroom almost ten years ago! He doesn't tout academic credentials, but he knows more about nutrition and supplements than anyone I know!

Point of View by Susan

A picture is worth a thousand words! Susan's talent transcends and inspires! Just take a look at the video montage on our home page and view her pictures in our picture gallery. Her two daughters attend(ed) bto.

Joni Purk Art Studio (The Carolinas)

I have two of her original oils in my private collection. She is to me the epitome of what it means to be a true artist. When I viewed her gallery at the Bankers Club, her work literally reached out and touched my heart and soul! She is a fabulous human being and a friend.
